Company Overview

Comcen was established in 1982 as an independent supplier of a wide range of computer hardware, software, consumables, consultancy and services, with over 50 staff and an annual turnover of £15m Comcen are ideally placed to service you now and in the future.

As an independent reseller of some of the worlds best known computer products, Comcen undertakes the task of selecting the most suitable products and solutions to meet your business needs. We see our role as looking after your best interests, with quality products at great prices all backed up by quality service and excellent support.

We work hard to foster close relationships with leading manufacturers and vendors and our accreditations are evidence to this fact.

Our Customers

Our customers range from SME's to blue-chip corporate clients who allow Comcen to act as an extension of their own computer departments, and become a strategic partner, supplying their IT requirements. Our accreditations benefit our government and educational clients.

Our Team

As a customer of Comcen you benefit from working with an experienced Account Manager who will work closely with your IT and procurement teams, understanding your business needs and responding with a service that continually exceeds your expectations. Your Account Manager will ensure you are kept up to date and informed about the latest product developments and innovations, with agreed regular mail shots and site visits.

Excellent Customer Services

We pride ourselves on the commitment and helpfulness of our team, your dedicated customer services representative will work with you to ensure a quick turnaround and all problems resolved.

Our Commitment to You

The benefits of our direct relationships with manufacturers, allows Comcen access to technical support, training and special bid prices, all of which are passed onto you. We also organise visits from product/technical specialists to discuss and demonstrate products in more detail. The relationships we have formed with these manufacturers allows Comcen to be well informed, enabling us to work with you to plan your future strategy.
